PUBLIC MEETING

September 29, 2016

6:30 – 8:00 PM

**Columbia Falls Junior High School “Cafetorium”
1805 Talbot Rd, Columbia Falls, MT 59912**

The EPA will update the public about the CFAC site. EPA added the CFAC site to the National Priorities List (NPL) on September 9, 2016. Sites on the NPL are often referred to as Superfund sites.

EPA will be available to answer questions about the Superfund program and outline the next steps for the site and how the public can be involved.

Documents related to the site can be found in the information repository at the Imagine!F Library; 130 6th Street West | Columbia Falls, MT 59912 and online: www.epa.gov/superfund/columbia-falls

For details on the meeting or more information on Superfund activities, please call or e-mail:
